

July 1, 2011

Dear Parents:

June has flown by as we prepare for the start of a new school year. We hope you are enjoying this great weather.

1. Below is information about the most current update from Dr. Jim Rigg, Archdiocesan Superintendent of Schools, regarding the visioning project for Catholic schools.

I am pleased to inform you that we have posted the first Video Update to our website. We will be producing a series of short Video Updates in the coming months to provide information about our visioning project for Catholic schools. The videos are designed to offer yet another way of communicating with our stakeholders about the vision for schools.

Each video will also feature a short "Good News" segment that profiles a positive program in one of our schools. The video can be viewed at our visioning website: www.catholiccincinnati.org/education/lighting_the_way On the website, click the link for "Announcements and Updates" to access the video.

2. There are still openings available in our 2 summer camps being held the week of August 1-5, 2011. From 9:00 a.m. - 12:00 p.m., we will be offering Robotics I through Drake Planetarium. From 12:30-3:00 p.m., we will be offering SpyWare/Where/Wear through Kingsbury Productions. Registration forms may be downloaded from our school website.

3. The School Office will be closed from July 4-July 8. The office hours for July 11-July 29 will be 8:00 a.m. - 12:00 p.m.

4. Class lists will be posted on August 10 at 3:00 p.m.

Thank you,
