John XXIII student go the extra "Mile"

Mile by Mile program raises \$5350

Middletown, Ohio, June 1, 2011: This year 38 local children and a dozen adults participated in Mile By Mile programs. At least five local schools were represented and \$5350 was donated by sponsors of the participants. John XXIII children raised money for Shared Harvest Food Bank and St. Jude's Children's Research Hospital. Some children participated in the Kids' Marathon – that is, they ran a full marathon of 26.2 miles incrementally over a three month period. Their final mile took place April 30, 2011 on the actual Flying Pig Marathon course. Other children participated in the Flying Pig 5k (3.1 miles) and trained for three months to get ready. Each participant got to cross the finish line of the marathon itself and was awarded with a medal, T-shirt and other goodies.
